Introduction

A MESSAGE FROM THE FOUNDER

"Greeting in the name of Jesus Christ. 2025 was a year of stepping into the unknown. We went where others refused to go—into the open fields, brick kilns, and dark villages of Pakistan. This report is not just numbers; it is a testimony of God's faithfulness. We saw thousands hear the Gospel, widows fed, and children finding hope. Thank you for standing with us."

OUR MISSION PILLARS

OUR CORE MISSION

- **1. Mass Evangelism:** Reaching remote villages through open-air crusades and healing services.
- **2. Next Generation:** Educating and discipling children in brick-kiln areas who have no access to schools.
- **3. Compassion:** Providing food, dignity, and care for forgotten widows and the elderly.

2025 IMPACT HIGHLIGHTS

2025: A YEAR OF BREAKTHROUGHS

Breaking Ground in Unreached Areas

- Operation Brick Kiln: Launched our first specialized ministry for families enslaved in brick kilns, providing them with spiritual freedom and basic rations.
- The Gospel on Wheels: Successfully conducted 12+ Major Night Crusades in villages that had never seen a Christian gathering before, using digital projectors to share the Jesus film.
- Widow Adoption Program: Officially started monthly support for 50+ elderly widows, ensuring no mother in our community goes to sleep hungry.
- Youth Awakening: Established a core team of 20+ Young Leaders who are now actively leading prayer meetings and logistics for our events.

STORIES OF HOPE

STORIES OF TRANSFORMATION

Real Lives, Real Change

- **The Mother's Prayer**

Meet Sister Nasreen. She used to walk miles just to find a place of peace. Through our new village prayer center, she now has a spiritual home where she prays for her child's future. Her faith is the fuel of our mission

- **Dignity Restored**

For years, these elderly widows felt forgotten. In 2025, Agape Light Network didn't just give them food; we gave them dignity. Celebrating moments of joy with them reminds them that they are daughters of the King.
